

TORC-TECH
A Brand of Surkon International

100 N.m Adjustable Slipping Torque Wrench

- » Torc-Tech code: STA100.1 / 39416-2F
- » Torque range 25 -100 Nm
- » Torque accuracy: $\pm 4\%$
- » Square Drive 1/2" male
- » Graduation 0.5 N.m
- » Dual scale. N.m & lbf.ft
- » Slipping mechanism
- » No over tightening
- » 48 tooth reversible ratchet
- » Suitable for industrial applications
- » Ergonomic, easy-to-grip rubber handle
- » Tool weight 1.4 kg, length: 475 mm
- » Includes in-house calibration certificate
- » Meets DIN ISO 6789 & ASME B107.300-2010
- » Accredited calibration available on option
- » Manufactured in Taiwan, Brand Torc-Tech
- » Technical support by Surkon International

Model	STA100.1
Torque Range (N.m)	25 -100 Nm
Torque Range (lbf.ft)	18 - 75 lbf.ft
Square Drive	1/2"
Accuracy	$\pm 4\%$
Lenght (mm)	475 mm
Type	Adjustable
Number of Thread	48
Weight (kg)	1.43
House Calibration	Available
Manufactured in	Taiwan
Brand	Torc-Tech

Model	Torque Range		Drive	Accuracy	Graduation	Length	Teeth	Weight
#	N.m	lbf.ft	inch	%	*	mm	#	kg
