Pneumatic Torque Wrench Pump

- » Product code 4VN-2
- » Working pressure 700 bar
- » Three stage pump hydraulic pump
- » Oil flow rate 10 – 2,2 – 1,1 l/m
- » Air driven motor 3.0 kW
- » Effective oil capacity 5,5 liters
- » Designed for two torque tools
- » Pressure is steplessly adjustable
- » Accr. calibrated ø100mm gauge
- » 1000 bar gauge - 10 bar resolution
- » Pressure output port 4 x 1/4" NPT
- » Oil Cooling fan available
- » Pump protection frame available
- » Pump total weight incl. Oil 21 kg
